

Do I need a Permit?

How do I know I need a permit? See the below tables for some sample ideas on what requires a permit and what does not.

I am planning to:

Remove Walls	Build a pool
Replace Windows	Build a home
Replace a Roof	Build a garage
Build an accessory building (Over 200 Sq Ft)	Install HVAC
Build a shed over 200 square feet	Plumbing
Major Structural Renovations	
Build a deck (over 300 Sq Ft)	

You need a permit!

This list is not an exhaustive list. If you are altering, changing occupancy, constructing, demolishing, enlarging, moving or repairing. Contact Adams City Hall if you have additional questions.

I am Planning to:

Paint my home

Replace Cabinets

Build a shed under 200 square feet

Build an accessory building under 200 square feet

Do Cosmetic Upgrades

Place a fence (please make sure you are off right aways for front yard – Call Adams City Hall to get right away) Also the fence can not be over 8 feet tall.

A permit is not required.

Permits should be pulled anytime structural elements are changing. Cosmetic items do not require a permit.

If you have any questions on permitting contact the Adams City Hall at (615) 696 2593
